

# CHAMINADE CONCERT CHOIR

## WELCOME!!

Congratulations on being accepted into the Chaminade Concert Choir! We are a competitive performance ensemble and function as a team! Your unique voice and participation is essential to the success of this group. The Concert Choir is a tight-knit family and we welcome all of our new members for the 2021/2022 season!

As a competitive choir, we travel yearly to participate in festivals. Traveling and competing helps us shape our voices, challenges us to excel, and strengthens our bond as a musical family. We hope you can join us on our trip this year!

Music is a gift to us and a gift to the world - we are so blessed to be able to experience that gift in every rehearsal and share it at every performance. We can't wait to make lifelong musical memories together!

With Music,  
Ms. G

## COURSE OBJECTIVES

## REHEARSAL EXPECTATIONS

*To ensure that the choir makes the most of our rehearsal time, it is critical that each singer adhere to the following:*

2. All singers **MUST** wear their approved singer's mask at all times during rehearsal
3. Have all materials at every rehearsal

5. Absolutely no use of cellphones (These can be put where your folder is held)

## GRADING POLICY

*This is a **year-long graded**, co-curricular course at Chaminade. It satisfies the VPA requirement for admission to the University of California system. It is an academic class and should be treated as any other class within the school schedule. **\*Attendance is mandatory: you may not join a rehearsal virtually, unless you are sick and it has been approved by Ms. G\****

- Rehearsals - (Participation)
  - Tues/Thurs - 10 points each
  - Extended Rehearsals - 15 points
  - Tech Rehearsals - 80 points
- Performance - 100 points
- HW (4-5 assignments / month)
  - 30 points each
    - 10 for on-time submission
    - 20 for requirements set

**Late Work Policy:** Students are encouraged to submit all assignments on time so that their learning and progress in the course are not impeded.

Due to the creative nature of most assignments in the study of the arts, most assignments completed *during* the unit of study will be accepted for full credit (even though they are late).

Any work completed *after* a unit of study has concluded will be graded on its merit and receive a maximum of 75% of the earned grade they would have otherwise earned if the assignment had been submitted on time.

Students will receive instructor feedback on late assignments because that feedback is

important to the learning process.

### REHEARSAL PARTICIPATION -

*Students earn daily participation points. Those points are influenced by the following:*

- Having all of your materials at all rehearsals.
  - Section leaders are responsible for taking note of missing materials.
- Making music as directed with rehearsal notes.
- Preparing music as requested by the director.
- Showing interest and working with effort - doing the best that you can!

### **Attendance Policy**

- Tardies and Absences will be noted and will be reflected in your grade.
- Each rehearsal day is worth 10 points
  - Tardies deduct 1 point, as well as leaving early
  - Please communicate any school-related conflicts
- Illness
  - If you are ill, you may join our rehearsal virtually, as long as it has been approved by Ms. G.
  - If you are ill and you stay home, please send me an e-mail so I may document it. (I do check with Candis)

### **Absence Policy**

- Unanticipated Absences: In the event of an *unexpected absence*, all homework assignments that were due the day of the absence must be turned in the day you return. It is the student's responsibility to turn in any work; do not wait to be reminded. It is your responsibility to know what you missed.
- If it is not possible to complete an assignment (ex: work was done in class that is confusing), then the student should speak with me during office hours.
- Anticipated Absences: Discuss planned absences with me as far in advance as possible so that deadlines can be established.
- Extended Absences: In the event that a student will be out for an extended period of time, the student is encouraged to be in communication with me during the absence. I am available to meet virtually on Zoom or Microsoft Teams.
