

THE SPIRITONES

WELCOME!!

Congratulations on being accepted into the Spiritones Acapella Ensemble! We are a competitive performance ensemble and function as a team! Your unique voice and participation is essential to the success of this group. The Spiritones is a tight-knit family and we welcome all of our new members for the 2021/2022 season!

As a competitive choir, we travel yearly to participate in festivals. Traveling and competing helps us shape our voices, challenges us to excel, and strengthens our bond as a musical family. We hope you can join us on our trip this year!

Music is a gift to us and a gift to the world - we are so blessed to be able to experience that gift in every rehearsal and share it at every performance. We can't wait to make lifelong musical memories together!

With Music,
Ms. G
